2008 Goal Lines Photo Contest Winners!

Thanks to everyone who participated in this year's Goal Lines photo contest. We received over 70 entries and over 230 votes for the top-10 finalists!

The photo contest was created with the goal of giving our soccer community a chance to get their photos on the cover of Goal Lines. Everyone was given the opportunity to submit their favorite soccer pictures for the competition. The top-10 entries were selected by OYSA staff and posted on our website. The voting was then opened (via email) to allow the public to choose the top three photos, which are printed on the cover of this issue.

Keep your cameras flashing into the new year – who knows, the next photo you take could win top prize in our 2009 contest!

Fred Meyer President's Cup Brings Out The Best in OSYA

BY SETH ANGER
Administrative Assistant

This year's Fred Meyer Fall President's Cup final was held on Sun., Nov. 23, at the Tualatin Hills Rec Center in Beaverton. The cold, blustery weather set the perfect Autumn background for the strong competition that turned out to compete in each age group. Overall, the games were hotly contested, including several ultimately decided in overtime or on penalty kicks. Many spectators commented that this year's finalists reflected a growing standard of play overall.

The referees played a large part in the success of this year's finals. They were punctual, assisted in setting up and taking down tournament banners, and did a great job of communicating game details with OYSA staff. The officiating of finals games was recognized as excellent by both coaches and spectators alike.

OYSA would like to thank everyone involved for a successful tournament and a smashing conclusion to the 2008 competitive season.
